Clara Poletti receives the Tecnovisionarie Award

Awards presented in Rome to 12 energy and environment female professionals who have stood out for their vision, capacity for social impact, transparency in behaviour and ethics

Rome, 6 June 2023 – Clara Poletti, ARERA Board Member and Chair of the Board of Regulators of ACER, the Agency for the Cooperation of Energy Regulators, received the 17th Internazionale Tecnovisionarie Award by Women&Tech ETS – Associazione Donne e Tecnologie. The aim of the award is to celebrate the value of women who, in their professional activities, have successfully had a positive impact on the ecological transition, overcoming cultural limitations, aiming to speed up the growth of the energy industry while respecting environmental goals, so that progress and its benefits are truly within everyone's reach.

Conceived by Gianna Martinengo, founder and Chair of Women&Tech ETS, in collaboration with Associazione Civita, the 2023 edition was dedicated to the world of energy and the environment, an opportunity to highlight the talent and commitment of women who are making a difference in this sector. Receiving the award, at a ceremony held yesterday in Rome, were a total of 12 female professionals chosen by the jury for their “vision, capacity for social impact, transparency in behaviour and ethics”.
